General information,

In our club we accept players from four years of age. To be able to go on ice, you need to apply for a license. This means that if you are **7 year old and up**, you need to see a **sports doctor** only from the list joined. On our homepage (www.icehockey-huskies.lu) or “sport medico center” document, you will find places where you can call for an appointment. This normally takes a couple of months, so we encourage you to do it as soon as you have decided that you would like to continue playing ice hockey. **Under 7 years** of age you only need a medical certificate from your pediatrician or your general practitioner.

We have seven teams (U7, U9, U11, U13, U15, U17, U20). Your age decides in which team you will be playing. I.e. if you are 9 or 10 you will play with U11, if you are 11 or 12 you play with U13 and so on.

When it is time to think about buying equipment this is what you need.

- **Hockey** skates
- White Helmet + Cages
- Neck protection
- Shoulder Guards
- Elbow pads
- Gloves
- Jock
- Black Pants
- Shin guards
- Socks + Garter belt
- Undergarment
- Stick

You should know that our team colours are Red, White and Blue. **The helmet should be white, the pants black.** The club will order game jerseys and socks with player name and number. Games jerseys are mandatory and under parents charge.

Fees for season 2017-2018

U5 (2013-2014) only training on Sunday morning EUR 250

U7 (2011 - 2012)	EUR 300
