

Huskies Junior Icehockey

Dear ice-hockey friends,
Thank you for taking time to learn about our hockey club and to consider a future sponsorship.

Let's enter one of the most physical, technical and fastest sport
you can find:

Ice-hockey

Ice-hockey is a fantastic sport that demands:

- ☞ excellent skating technic,
- ☞ perfect stick handling
- ☞ not to forget the essence of strategy
- ☞ last but not least **team spirit**

Useful information:

Hockey is played on a surface of 60x30 meters with a board made of wood or with plastic with a height of 117 to 122cm.

A team consists of a minimum of 15 players and one or two goalkeepers split into three lines, one forward, two wings and two defenders. The extreme physical effort demands frequent rotation of the players.

Because of the high speed and the many rules, two referees are needed. All penalties are affected immediately with a punishment of two to ten minutes in the penalty box depending on the brutality.

The duration of the games depends on the age of the team. It varies from 3x15 to 3x20 minutes with a short break in between to make the ice

A violent sport :

NOT AT ALL

For the youngest players physical contact is not allowed but will be a part of the game when they are getting older. Full protection is required to avoid injuries and to feel secure on the ice

Ice hockey in Luxembourg

The history of ice hockey in Luxembourg

Before 1968.

Ice hockey in Luxembourg started on the small lake in Kockelscheuer.

The first rink was built in 1968. This ice rink could allow up to 750 visitors and it has a restaurant, a separate curling rink and locker rooms.

In 2006 the second rink was built to be able to handle the growing demand to be able to establish different clubs, such as figure skating, ice hockey, speed skating and ice-stock.

We have three clubs of Ice hockey in Luxembourg

- Huskies junior ice hockey
- Beaufort
- Tornados senior competition ice hockey, Puckers senior ice hockey sport leisure

All three are part of the Luxembourgish ice Hockey Federation.

HIVERSPORT HUSKIES

Junior Ice Hockey

Founded in 1976, the Huskies ,

⇒ Is a member of the Fédération Luxembourgeoise de Hockey sur Glace , FLHG

FLHG is also a member of IIHF

Two times the FLHG has organised the division III world championships. It was a successful event with great games and a lot of viewers.

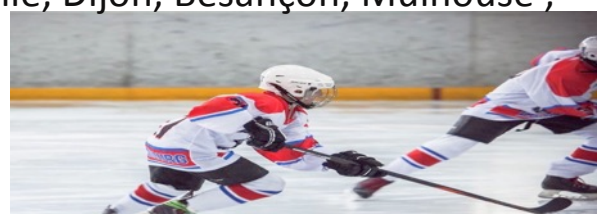

⇒ is part of Grand Hiversport (an association for Luxembourgish ice-clubs.)

⇒ The club consists of 160 players from 4 to 20 years of age, and we have 15 different nationalities.

⇒ The Teams are playing in the French League Nord-Est

To gain an interesting and higher level of our young players, the club integreted the **french championships Nord Est**. Huskies players meet teams such as Reims, Strasbourg, Metz, Amnéville, Dijon, Besançon, Mulhouse , Colmar, Epinal.

The Huskies participate in abroad tournaments and arrange each year The International Ice Hockey Junior Cup with 15 international teams, 250 players and a lot of visitors

⇒ Team responsible

Besides our board members, our professional head coaches, huskies club is proud of his team of fifteen coaches and team manager whom on a voluntarily bases train and support our children.

Our Teams

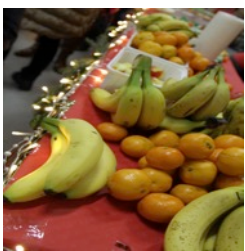

U7 beginners

An introduction to ice hockey around fun and skills

Each season they are invited to Fair-Play-Zir with few other teams in France

It's the first introduction for players and parents in the world of Ice Hockey. The club is very concerned about the welcome, the well being and the pleasure that is taken by young athletes. The Fair Play Zir takes place in a convivial atmosphere where parents and children exchange around a breakfast before the exercise and a buffet afterwards. There is no competition, only fun. Players are divided by group and the teams are all mixed.

U9 Moustiques

An introduction to ice hockey with skating technic and stickhandling,
Each season they are invited to plateaux with few other teams in France

U11 poussins

French Championship/International Tournament

U13 Benjamins

French Championship/International Tournament

U15 minimes

French Championship/International Tournament

U17 cadets

French championship / Luxembourg Championship (Luxembourg Cup)
International Tournament

U20 Espoirs

French championship / Luxembourg Championship (Luxembourg Cup)
International Tournament

OUR AIM

⇒ To offer as many children as possible the opportunity to discover and try ice hockey

⇒ To help our players reach a higher level of ice hockey

⇒ To coach our children to a social and healthy live style combined with their hobby i.e. to let the U18 help coaching the younger players

⇒ Promote a sport not well known in Luxembourg:

- To participate in French and National Tournaments
- Organising and participating in International Tournaments
- Participating in different cultural and funny events

Torch parade
Luxembourg City

Top Sport
Coque Luxembourg

Ice Rink
Christmas market

⇒ Offer parents to be a part of the hockey community by participating in courses to learn about rules and structure (i.e. table the marque, learn to play)

Support is crucial!

To guarantee the existence of ice hockey in Luxembourg and to have a sound and stable base we need strong supporters

YOU CAN BE ONE OF THEM!

⇒ The cost of our equipment

The players need a complete set of good quality equipment to be protected on the ice. This is a big investment and some families struggle with the expense. The puck (made out of 160 gr of hard rubber) can reach a speed up to and over a 100km/h and the sharp steel blades of the skates is altogether the reason why you need to be well protected, especially if you are a goalkeeper. For this reasons the club has equipment to lend for the first try-out sessions.

⇒ Transport costs

To be able to offer an interesting championship, Huskies has joined the French league (group north-east) with travels to places such as Dijon, Strasbourg, Mulhouse, Besancon.

To go to these games we rent a bus each time.

WE GO AS A TEAM – WE PLAY AS A TEAM

⇒ Cost of trainers

To be able to give our young players a fundamental base and good values, our club has a hired professional trainer. He is assisted by a number of volunteers i.e. table de marque representatives and off-ice coaches.

⇒ Rent of ice

To guarantee two to three training sessions per week for each age group and the championship games, on top of the ice offered by the City of Luxembourg, we have to rent more ice time to cover our needs.

We also need to cover costs like, equipment, courses, insurances and so on.

Sponsoring

Helmet

- ⇒ Stickers (provided by the sponsor)
- ⇒ EUR 1.000/year

Logo on our web site

- ⇒ EUR 350/year

Logo on merchandising (price depends on quantity)

- ⇒ Water bottle , Cap/Hat, Fleece, Jacket
