### WAIVER

The sport of ice hockey can be dangerous and the risk of injury from playing ice hockey is significant. Wearing equipment (such as helmet, shoulder guard, hockey skates and protective pads), as well as respecting personal discipline with regard to other participants on the ice rink, can reduce this risk. Nevertheless, the risk of injury does exist and I knowingly and freely assume all such risks, both known and unknown, even if arising from the negligence of referees, coaches or other third parties; I further assume full responsibility for my participation on the ice rink: and I agree to comply with the stated and customary terms and conditions for participation . I, for myself and on behalf of my heirs, assigns, personal representatives and next of kin, hereby release and hold harmless Hiversport – Section Hockey sur Glace (Huskies), their officials, agents, volunteers and /or employees, other participants, and if applicable, owners and lessors of premises used to conduct the event, with respect to any and all injury, disability, death or loss or damage to person or property, whether caused by the negligence of or otherwise. I have read this release of liability and assumption of risk agreement, fully understand its terms, understand that I have given up substantial rights by signing it, and sign it freely and voluntarily without any inducement.
