

## **Internal rules of the Huskies club season 2018-2019**

1. To be accepted on the ice, the inscription file of the player need be complete and the membership fee (validated during the AGM) paid before the 31 of October.  
U7 = 300, U9 = 400, U11 - U17 = 450 + bus fee (depends on the number of games abroad), U20 = 300.
2. Huskies "code of conduct" must be signed by the player and his parents
3. A medical certificate is mandatory to obtain a licence and to go on the ice: for the players under 7 a medical certificate from a doctor is enough; for older players a certificate "medico sportif" established by an approved center is needed. The obligatory exams at the centers are done at the ages of 7, 12, 15 and 18 years.
4. Player must pay the membership fee linked to the team he is linked assigned on the date of birth and not the playing level.
5. The minimum player age is fixed at 5 years which means player must become 5 before 31st of October at the latest.
6. Each new player from U11 and up must pass a test before being accepted in the team (depending on the age). The decision of accepting a new player is taken by the head coach.
7. No new player will be accepted in the club after 31st of October except a transfer from another ice hockey club.
8. The participation to training and games (home and abroad (if selected)) is mandatory. In case of non participation for personal reasons, the player must sent an email to team manager and head coach.
9. All players and assistant coaches must wear the mandatory equipment on ice including helmet.
10. Each person on the ice or on the bench during games must have a valid licence including "table de marque" and game clock.
11. Everybody (player, parent, person in charge of the team) is personally responsible for their actions and any damage that could result thereof.
12. From U11 and up, parents are not allowed in changing room.
13. The AGM of the Huskies is held at the beginning of the hockey season. The invitation will be sent by mail only. The articles of incorporation of the club are available on the web site.
14. The board and the head coach meet at least once a month during the season.

15. Each player and/or parent (in case of player being under 18) must have read and signed the code of conduct of the club.
16. Every breach of the code of conduct will be sanctioned by the temporary or final exclusion from the club.
17. Only coaches (head coach and assistant coaches) choose the players for the games based on following criteria: attendance to trainings, behaviour, motive and competences.
18. Players should be at the rink 30 minutes before training and 1 hour before game or based on information from the coach or team manager.
19. Any club member can only have one role in the club : be board member, coach or team manager in order to avoid conflict of interest.
20. An amount of 1 000 EUR is allocated to each team to finance the tournament fee outside the league and team building activities.
21. Players must travel on bus and stay with their team in the hotel.
22. The Huskies Cup is under the responsibility of the U11 and U13 parents.
23. Team managers have to manage their team off and outside the ice. The team manager is selected by the Board and must promote the communication between the parents, the coaches and the Board. The team manager will transmit to the team the messages from the Board / head coach as communicated by them.
24. U20 players who want to continue to train with the Huskies should imperatively pay their membership to the Huskies and follow the rules of the club. They can be invited by the other clubs of Luxembourg. The clubs will arrange between themselves for the division of the membership. A player who is registered in a senior club cannot train or play with the Huskies.
25. The participation of a team in a tournament outside the French league must be approved by the Board and the FLHG.
26. A player must always favour his own team. Exceptional rankings and playing up must be validated and approved by the head coach.

I (player, legal guardian) certify having read and understood these internal rules and engage myself to respect them.
