This window asks you where to save the game. The default is ok. Just click NEXT

Select Game/Spiel then click Laden

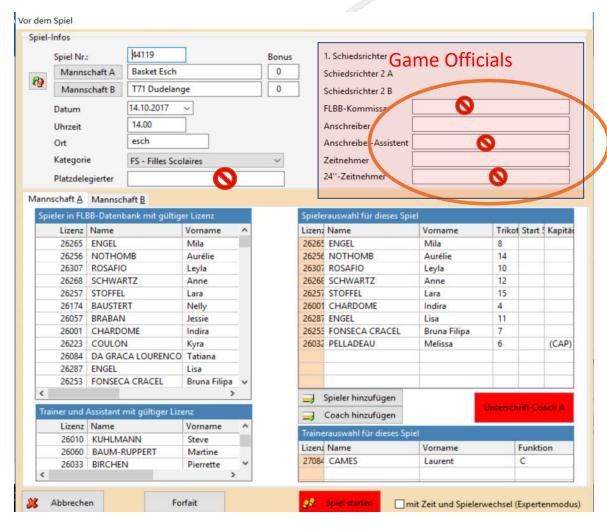

This window tells you that the list of players from the previous game are loaded and prompts you to double check the numbers.

Just click OK

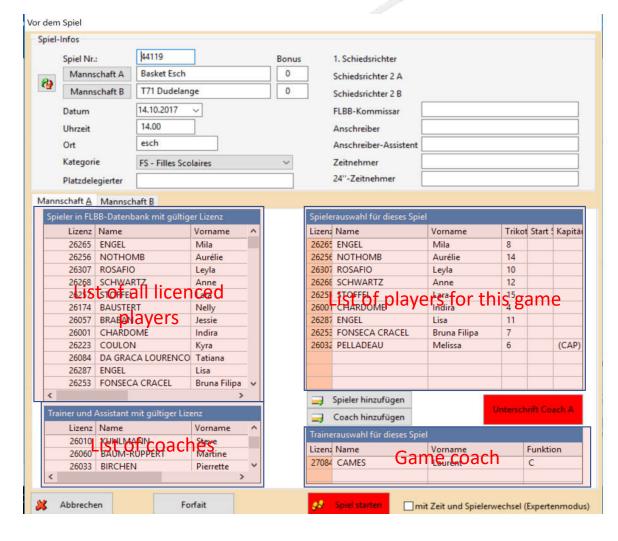

Once in the Team setup page, you should go in flight mode now to avoid didgbou doing updates in the middle of the game! = Precaution

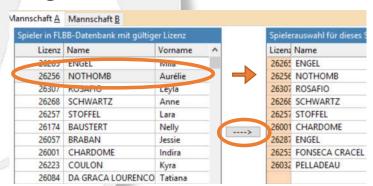

- Fill out Names of people
 - on the Timer/scorepad
 - doing the Digibou
 - Referees if not already indicated
 - FLBB Commissioner, assistants and 24 can be left blank for kids teams

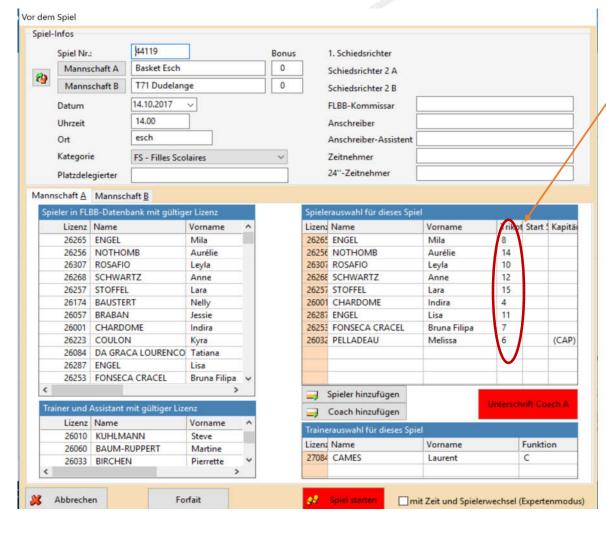

- Now check if all players are correctly listed in the list on the right
- If player is missing choose them in the list on the left hand side and press arrow in middle to add them on the righthand list

 To remove a player highlight name on the right and press arrow pointing to the left

- Once all players are correctly listed check if the numbers
 are correct
- If not, type in correct number and press ENTER
- NOTE: the programme will not let you type in the same number twice, delete duplicate number first
- Designate the 5 players that will start

- Designate the 5 players that will start by marking starting each of the 5 players with X and press ENTER
- Designate one player as the Captain. Mark an x or C in the field and press ENTER
- Also double check if the name of the Coach is correct. If not, change as you would change player
- Repeat process for other team (usually the collaegue from the other team will fill in the players of their team)
- Once everything is correct both coaches need to sign
- You can now start game (Double check before pressing button)!!
- NOTE after that no further changes can be made!!

Areas where you enter info

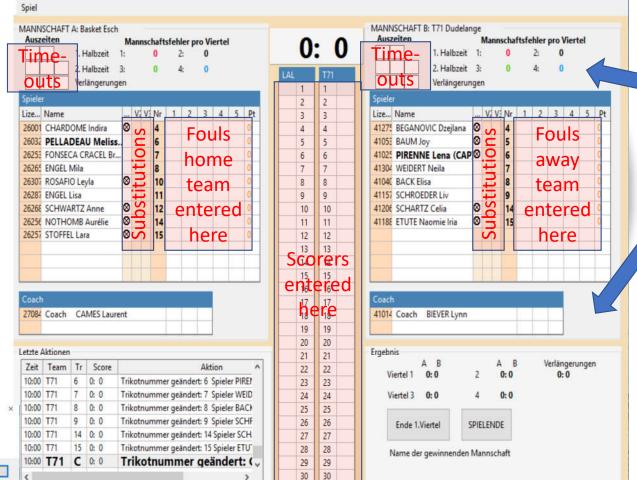

All entries always need to be confirmed with ENTER button

You can always correct the last action.
To undo actions before that however, the referee needs to sign a pop up window (below). Don't Panic: Just wait for the next time stopage and call the Ref.

Schiedsrichter um Erlaubnis fragen bei nächster Spielunterbrechung (z.B. Korb, Foul, Ausball, etc.)!

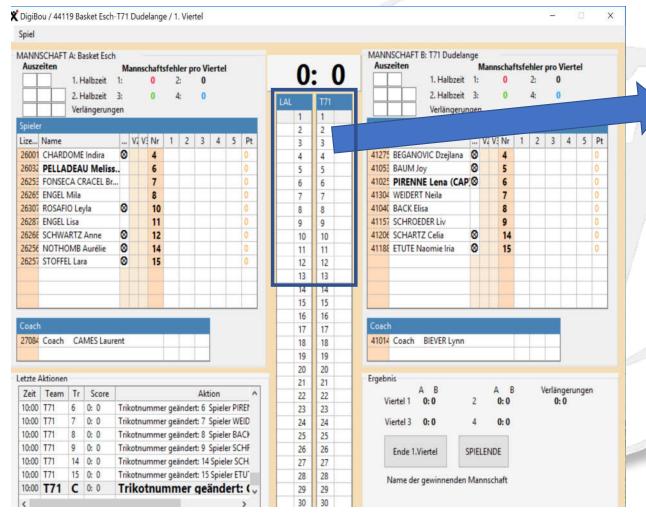

OK

All stats are automatically updated = Nice ☺

Score keeping

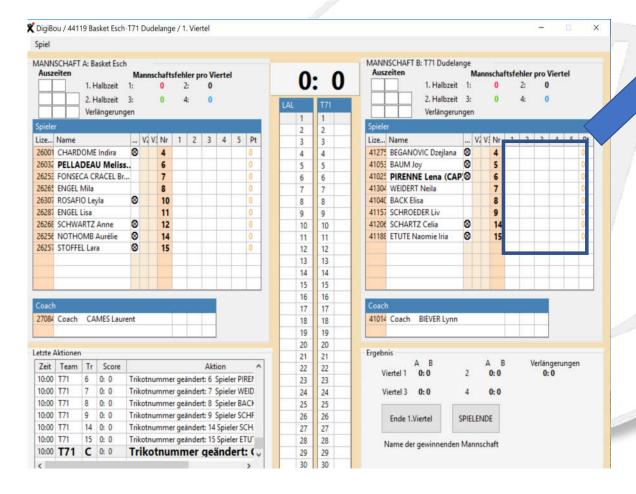

Like for paper Bou just enter number of player scoring next to score Increase score by:

- 2 for regular basket
- 1 point for free throws
- 3 points for 3 points throw (only from Scolaires onwards!)

Press ENTER to confirm every entry

Fill in Fouls in the spaces next to the players' names as usual

If a player commits a foul, the referee will notify the scoring table who committed the foul and what type of foul was committed Foul type

P - Personnal foul

P1 / foul with one free throw

P2 – foul with two free throws

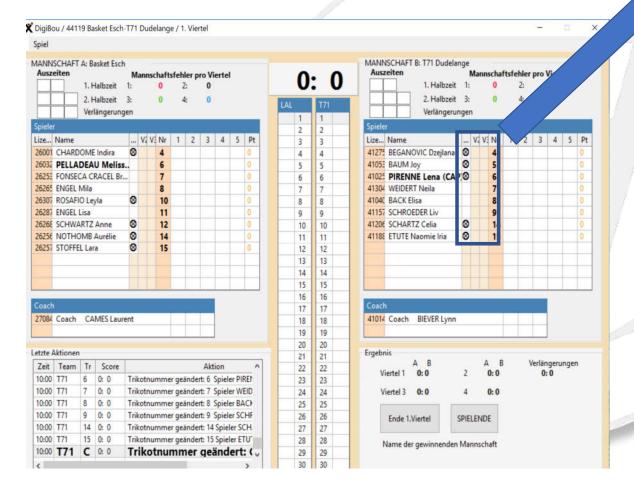

Rare:

U – Unsportmanship

T - Technical

Substitutions

- Everytime a player enters the game mark column with an "X"
- Starting 5 are marked already with the circled X symbol
- Use 1st column for 1st quarter
- Use 2nd column for 2nd quarter
- Use 3rd column for 3rd quarter
- This will not need to be done in the 4th quarter

For junior team (up to Minis):

- Every player needs to play at least one of the first 3 quarters
- No Player can play all 3 first quarters

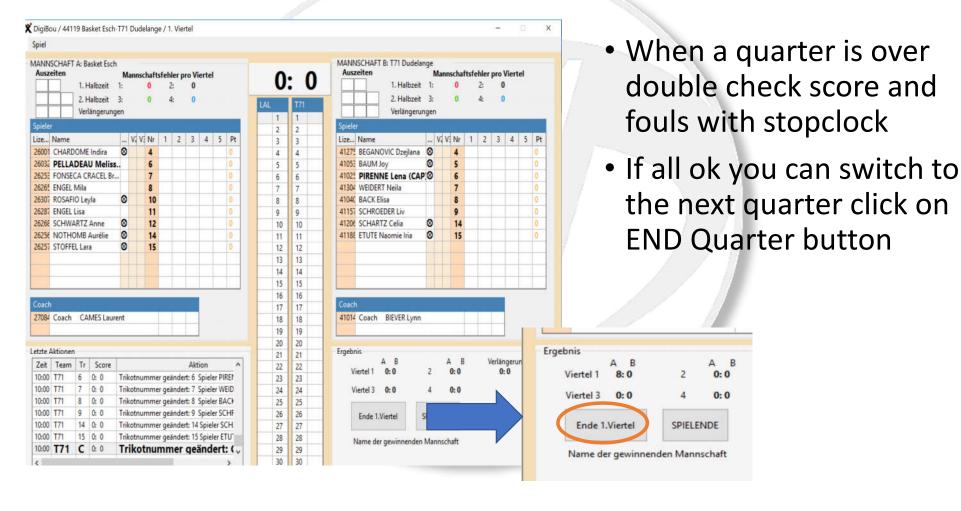

Fill in time-outs as usual

Enter the minute the time-out was taken. Example:

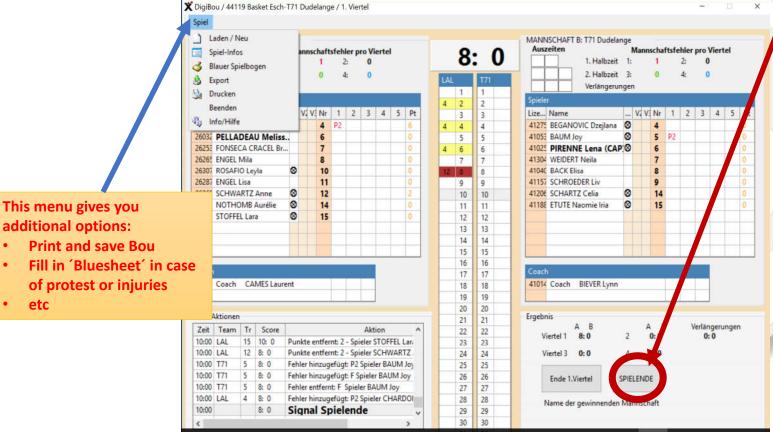

- · Esch takes a time out
- The clock shows 4:30 to play in a 7 min long quarter
- The time-out was taken in 7-4 = 3rd minute of play → enter 3 for the first timeout

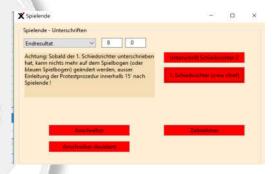

End quarters

- When the game games perform another double check with the stopclock
- Then press End game
- A new window opens

- Have officials and Refs sign BOU if you are sure that everything is final
- Once everyone signed you can send the results to the FLBB.

Team Foul Flag

The Team Foul Flag is put up AFTER the 4th team foul is made in a quarter (put it up after the ball is in play again to avoid confusion)

When the flag is up (i.e. for the 5th foul) the opposing team will have freethrows automatically for each foul

Possession Arrow

Thumbs up followed by point finger in direction of possession arrow

Possession arrow toggle

Note: sometimes it's just a cardboard sign that is used as the arrow After tip off the arrow is pointed in direction of play of the team that did NOT gain possession of the ball

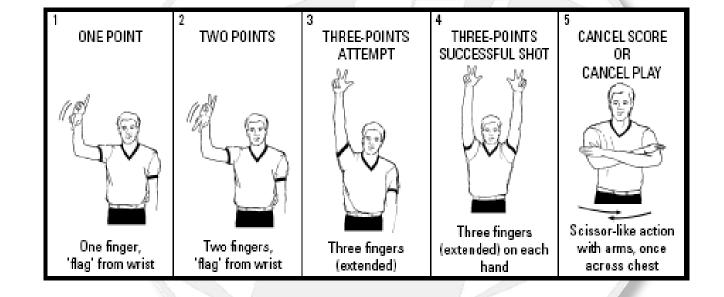

The possession arrow indicates direction of play i.e. who will have get to throw in the ball after a:

- Jumpball situation
- Start of a new quarter After the throw-in the arrow is switched over.

As teams switch sides at halftime the arrow also has to be switched over.
