**NOTE: There are different regulations surrounding the loaning of players in different competitions. It is the responsibility of the club to understand and to adhere to the regulations.**

**CLARIFICATIONS**

(1) FRE = Front row eligible. In certain competitions the number of replacements permitted is dependent on the number of FRE players (see law three). Mark all FRE players with either a number 1, 2 and/or 3 referring to position or with the letter "X" here. "X" regards all FR positions.

(2) Indicate the club to which the loaned player is registered.

(3) Mark either "LE" (loan eligible) if no signature is required from the opposition OR obtain a signature from an official representative of the opposing team to indicate their consent for the loan to be permissible (whichever applies based on the regulations under which the loan occurs).

All players and management must be marked on the team sheet with a completed license number.

**I hereby acknowledge by my signature that the information given above is correct and that all players are fully SRL-licensed, have health-insurance that covers them in the event of injury sustained in this fixture, have successfully obtained valid certification from the WR Rugby Ready and Concussion Management for the General Public courses, and are eligible to play under SRL regulations. Players in this team sheet also commit to following Anti-Doping legislation as set out by SUEK and followed by SRL Anti-Doping program. All individuals listed on this team sheet shall comply with SRL's Guidelines against game-manipulation.**
