

Internal rules of the Huskies club

The season begins on September 15 of the current year and ends on April 30 (exceptionally on March 31 for the year 2022) of the following year.

1. To be accepted on the ice, the inscription file of the player needs be complete and the membership fee (validated during the AGM) paid before the 30 of September.
The fee will vary according to the age group and will be communicated at the beginning of the season. In addition, there will be a fee for the team bus trips to be paid by all the players of the team at the start of the season depending on the number of bus trips.
2. A medical certificate is mandatory to obtain a licence and to go on the ice: for players under 7, a medical certificate from a doctor is required; for more senior players a certificate "medico sportif" established by an approved centre in Luxembourg (see list on the Ministry of Sports website) is needed. The obligatory exams at the centres are done at the ages of 7, 12, 15 and 18 years.
3. A Player must pay the membership fee by age group and not the level of skills.
4. The minimum age for a player is 5 year old. Players must become 5 before 31st of October of the current year at the latest.
5. Each new player from U11 and up must pass a test before being accepted in the team (depending on the age). The decision of accepting a new player is taken by the head coach.
6. As a general rule, no new player will be accepted in the club after 31st of October except from another ice hockey club. This also applies to the U7/U9. Two try-out periods will be organized per season, one at the beginning of the season and one in January (max 3 weeks).
7. The participation in training and games (home and abroad (if selected)) is mandatory. In case of non-participation for personal reasons, the player must send an email to the team manager and head coach.
8. All players and assistant coaches must wear the mandatory equipment on ice including a helmet.
9. Each person on the ice or on the bench during games must have a valid licence including "table de marque" and game clock.
10. Everybody (player, parent, person in charge of the team) is personally responsible for their actions and any damage that could result thereof.
11. The AGM of the Huskies is held at the beginning of the hockey season. The invitation will be sent by email only. The articles of incorporation of the club are available on the website.

12. The board and the head coach meet at least once a month during the season.
13. Each player and/or parent (in case of player being under 18) must have read and signed the code of conduct of the club.
14. Every breach of the code of conduct will be sanctioned by the temporary or final exclusion from the club.
15. Only coaches (head coach and assistant coaches) choose the players for the games based on following criteria: attendance to trainings, behaviour, motivation and skills.
16. Players should be at the rink 15-30 minutes before training and 1 hour before game or based on information from the coach or team manager.
17. Any club member can only have one role in the club: be board member, coach or team manager in order to avoid conflict of interest.
18. An amount of 1 000 EUR is allocated to each team to finance the tournament fee outside the league and team building activities.
19. The Lux Cup is under the responsibility of the U11 and U13 parents.
20. Team managers are to manage their team off and outside the ice. The team manager is selected by the Board and must promote the communication between the parents, the coaches and the Board. The team manager will forward to the team the messages from the Board / head coach as communicated by them.
21. U20 players who want to continue to train with the Huskies should imperatively pay their membership to the Huskies. They can be invited by the other clubs of Luxembourg. The clubs will arrange between themselves for the division of the membership. A player who is registered in a senior club cannot train or play with the Huskies.
22. The participation of a team in a tournament outside the French league must be approved by the Board and the FLHG.
23. A player must always favour his team. Exceptional rankings and playing up must be validated and approved by the head coach.

I (player, legal guardian) certify having read and understood these internal rules and engage myself to respect them.
