Its new Luxembourgish branch, ALL SOCCER EUROPA, offers full training programs for young footballers, ranging from 5 years to 19 years, carefully taking care of all the aspects of this sport, from pure technical skills to physical training and, last but not least, ethics and sporting principles.

Therefore we personally invite you to join this year our project „ALL SOCCER EUROPA FOR GOTHIA CUP“, which will reach in 2020 its 46th edition. It's the teams and participants from around the world that make the tournament unique. A meeting place for the world's youth, irrespective of religion, skin color or nationality, which can be compared to Olympic Games and has always been associated with words like unique sports challenge and exceptional learning experience. Right from the outset, the GOTHIA CUP had a high footballing status. Winning the GOTHIA CUP was and remains one of the finest things you can wish for as a young footballer.
