The Goal

- *We like to give youngsters from Luxembourg and the greater region the opportunity to race high class races and develop as an athlete.*
- *High level young athletes from our country are struggling to get into the big races as they are still racing for smaller domestic clubs, which don't have the capacity to race outside of Luxembourg.*
- *This unique "Regional Team Concept "Jonke Leiw" gives them the opportunity to race locally in Luxembourg with their domestic club, and having the team spirit, race calendar, logistics and equipment to race and prove themselves outside of Luxembourg on a mostly higher level.*
- *The goal of the concept is also to push the athlete's education. Staying in their known and common surroundings makes it "easier" for them to graduate using the Luxembourgish school system.*
- *As the number of road races organized in Luxembourg, was going down in the recent years, athletes are "forced" to race in the neighborhood countries. Our organization gives them the opportunity.*

The Goal

- *We like to bring cycling to a higher plan for these young athletes.*
- *We want to motivate young riders and inspire them to achieve.*
- *We want to create a platform so that they can get out the most of their talents.*

Ambition

- *Our ambition is to participate in a number of semi-classics, classics and one-week stage races in Europe. These are generally categorized as 1.12, 1.2, 1.2U23, 2.12, 2.2, 2.2U23*
- *Part in the first year in time, we need to apply for wildcards to in some of these events. This means participation in major competitions of the year, has still to be defined.*
- **A list of the provisional race calendar is available on request.*

Objective

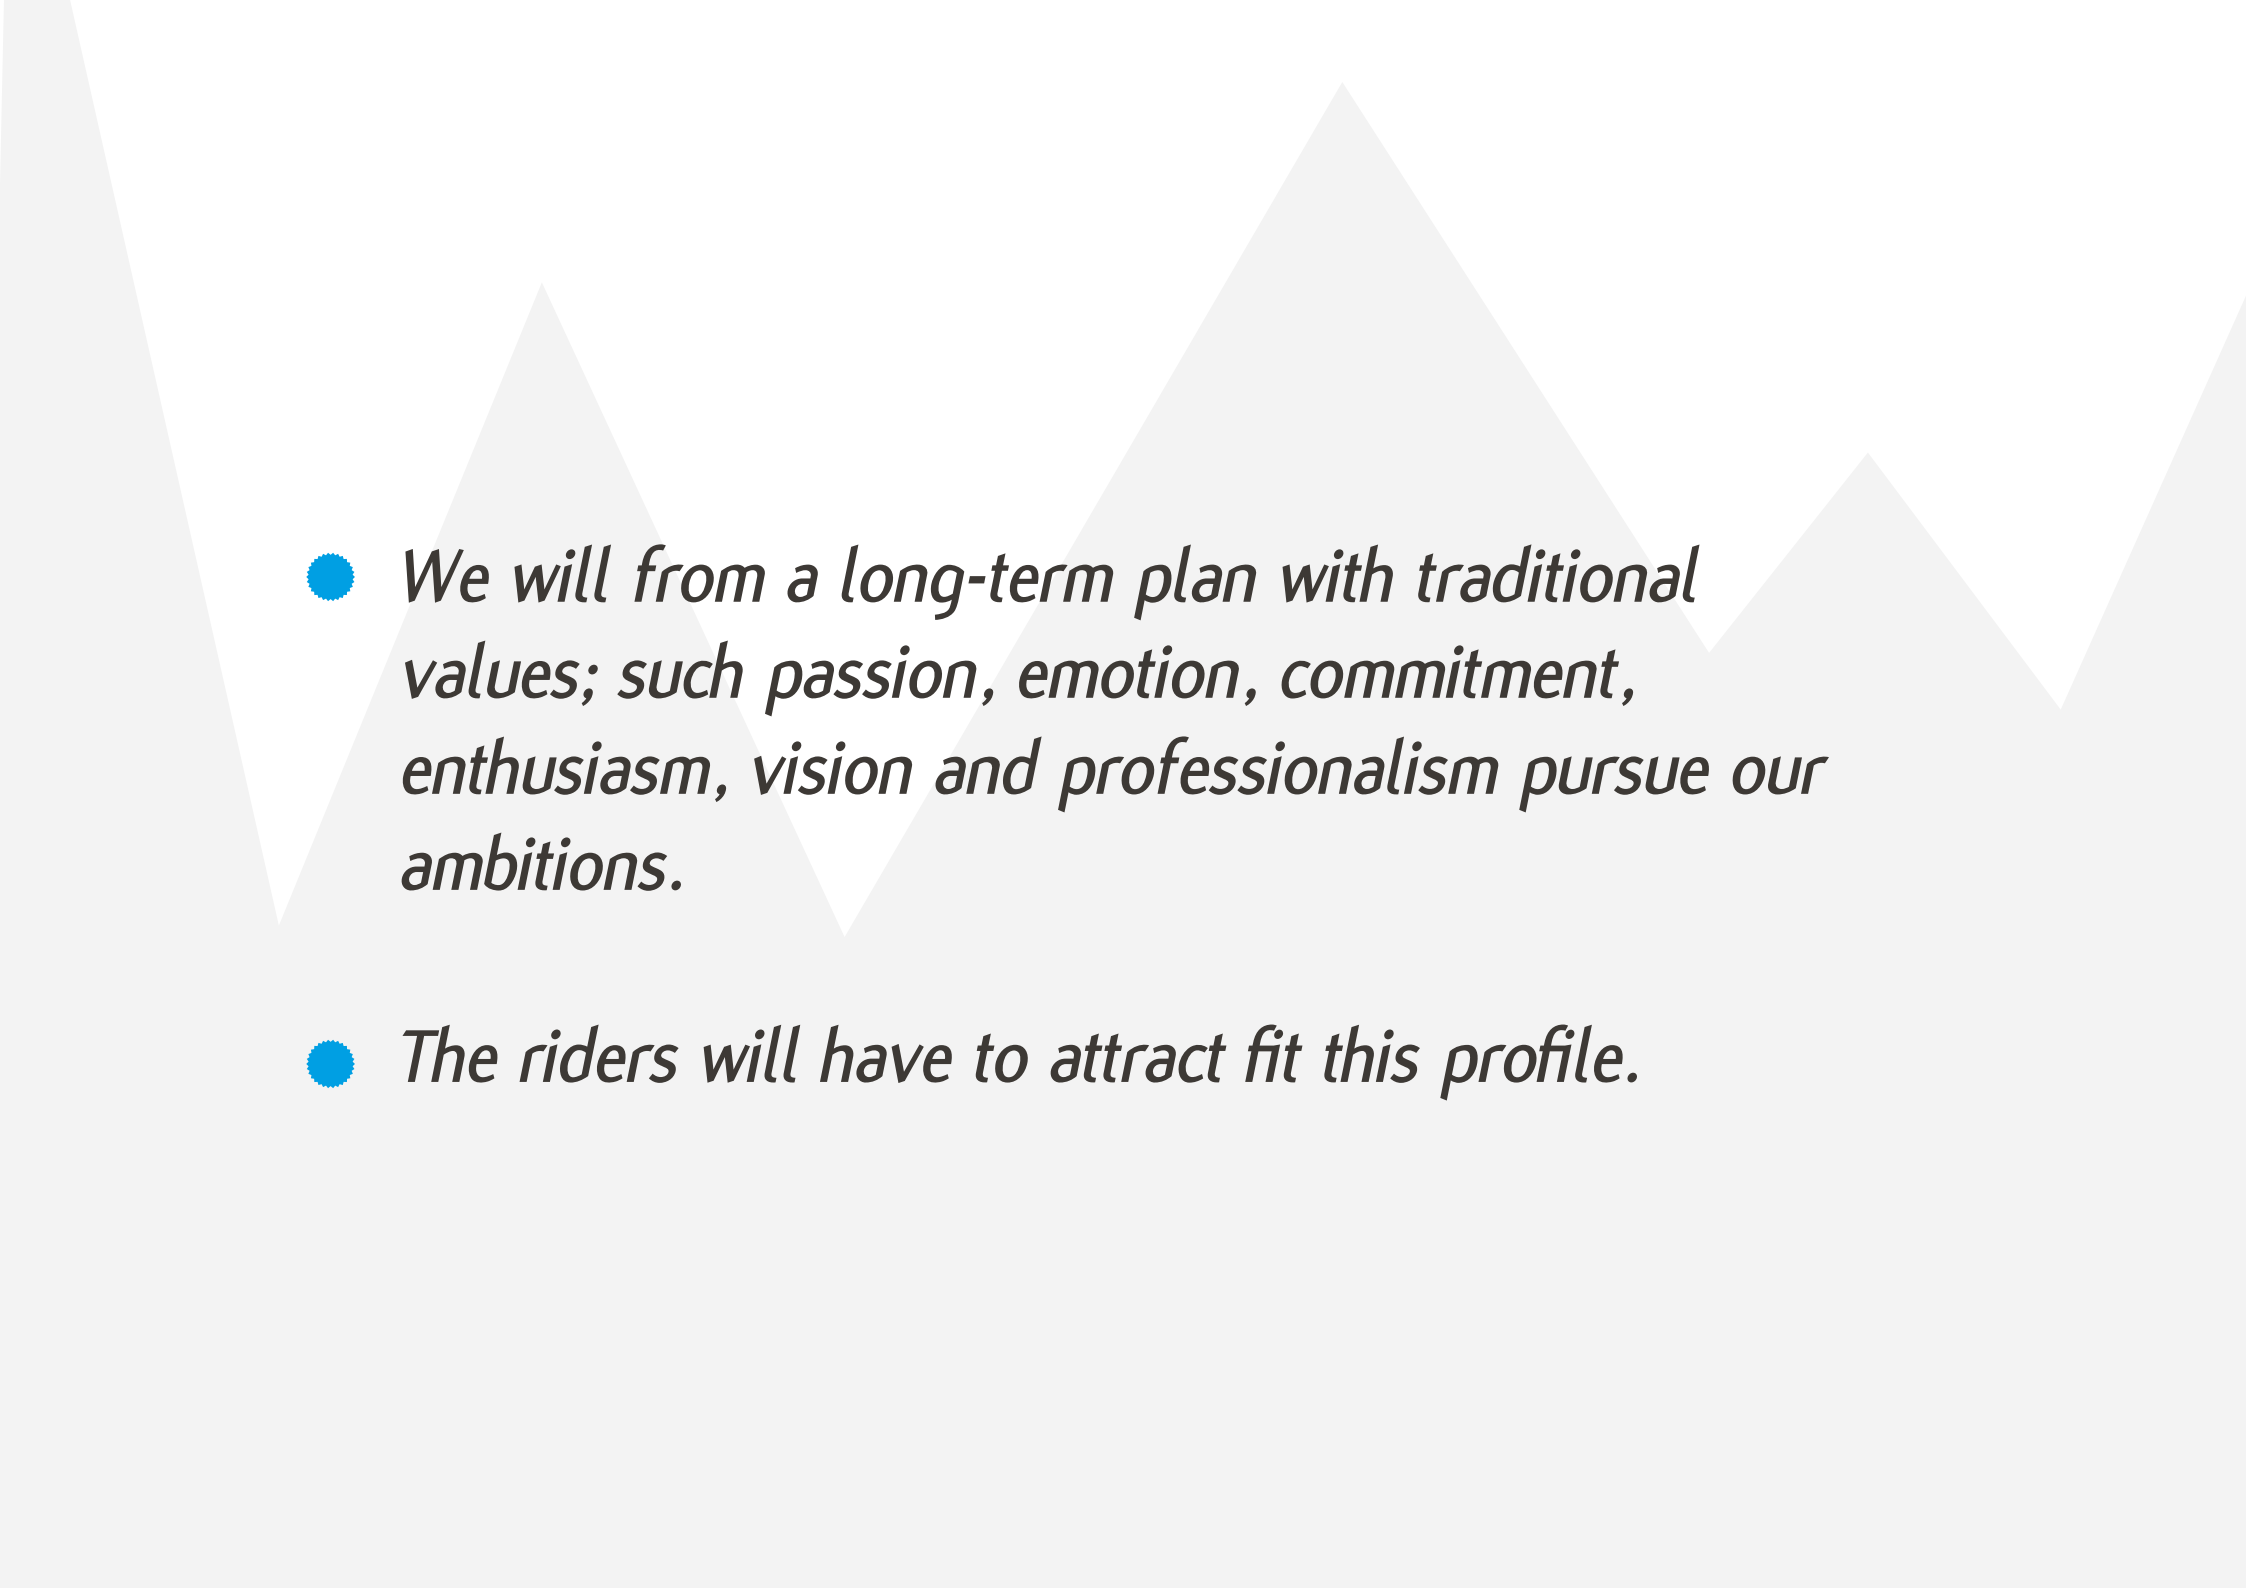

- *The sporting objectives will be pre-determined.*
- *The management of the team in consultation with the sponsors, wants to grow as high level development team in the coming years, and give young athletes the best possible setup to grow into the sport.*
- *All this must fit within the budget that the organization has available.*
- *In determining the match program will certainly take into account the commercial interests and wishes of the sponsor.*

CoreValues

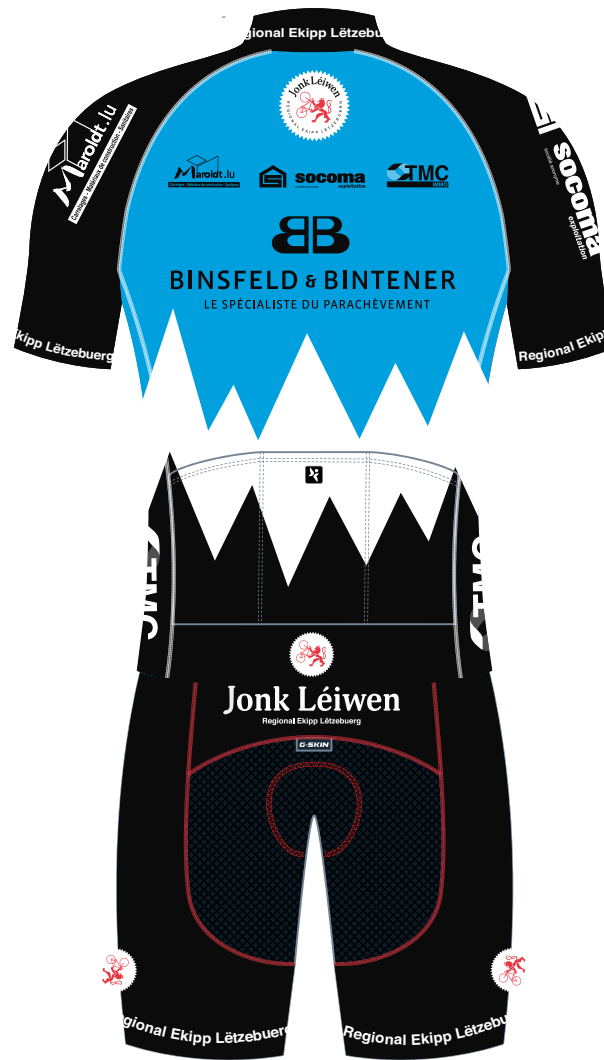

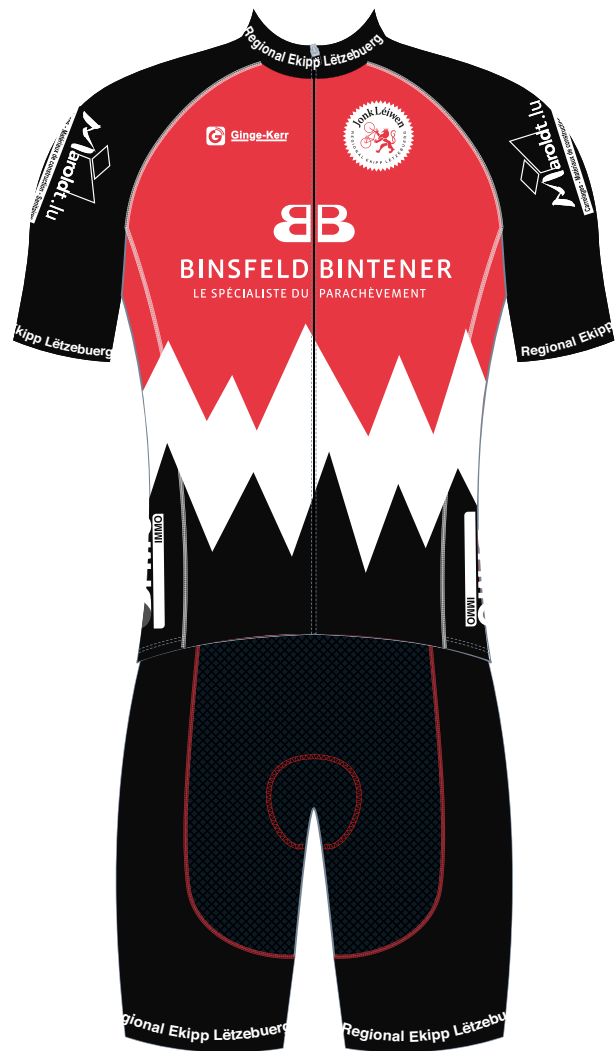

- 
- *We will from a long-term plan with traditional values; such passion, emotion, commitment, enthusiasm, vision and professionalism pursue our ambitions.*
 - *The riders will have to attract fit this profile.*
